These might either refer to multimodal data where information about a given

phenomenon is obtained through different types of acquisition techniques, or multiset data where the datasets are all of the same type but might be acquired from different subjects, at different time points, or under different conditions. Fri, 07 Dec 2018 03:00:00 GMT Course Description 2nd International Summer School on ... - Calyampudi Radhakrishna Rao, FRS known as C R Rao (born 10 September 1920) is an Indian-American mathematician and statistician. He is currently professor emeritus at Pennsylvania State University and Research Professor at the University at Buffalo.
